5. LOW-LEVEL CONCERNS

- 5.1 All employees must ensure they understand what a low-level concern is – any concern, no matter how small, and even if no more than causing a sense of unease or a ‘nagging doubt’ that an adult working with children has behaved in a way that is:
- inconsistent with the staff code of conduct, including inappropriate conduct outside of work, and
 - does not meet the harm threshold or is otherwise not serious enough to consider a referral to the LADO.

Examples of such behaviour could include, but are not limited to:

- being over friendly with children
- having favourites
- taking photographs of children on their mobile phone, contrary to school policy
- engaging with a child on a one-to-one basis in a secluded area or behind a closed door, or
- humiliating children

5.2 Employees who are concerned about the behaviour and conduct of a colleague or supply staff or a contractor must raise their concerns directly with the Head teacher and DSL, Colin Bowpitt.

6. DATA PROTECTION & CONFIDENTIALITY

This section should be read in conjunction with the School's Data Protection policy, Authorised acceptable use policy, Staff social media and Staff laptop policy.

6.1 Employees are privy to confidential and sensitive information about the School, their colleagues, volunteers, pupils and their parents. The Data Protection Act 2018 states that anyone who is responsible for using personal data must follow strict data protection principles.

6.2 All employees must therefore ensure that any information collected is:

- used fairly, lawfully and transparently;
- used for specified, explicit purposes;
- used in a way that is proportionate, relevant and limited to only what is necessary;
- accurate and, where necessary, kept up to date;
- kept for no longer than is necessary;
- handled in a way that ensures appropriate security, including protection against unlawful or unauthorised processing, access, loss, destruction or damage.

6.3 Employees must:

- not disclose, or use (directly or indirectly) any information (either about school business, employees, pupils, parents, or external agencies) they receive or allow others to do so whether during their employment or after their termination. Any such data must **only** be accessed by authorised users for legitimate purposes;
- not use data held by the school for any purpose other than that for which it is intended;
- ensure that all data is kept secure (e.g. locked away or protected by password) and that data on screens or within documents are not left within view of others;
- not disclose or display information about logins or passwords for automated devices, or keycodes or similar for manual locks;
- ensure that when sharing personal or sensitive data external to the school, that it is done by secure methods taking care to minimise the risk of loss and making sure it reaches the intended recipient.

6.4 When an employee is in doubt about whether to share information or keep it confidential, they must seek guidance from the Head Teacher.

6.5 Employees must follow and comply with the School's data handling procedures and privacy notices at all times. Failure to do so is considered a serious breach.

7. DECLARATION OF INTEREST/CONFLICT

- 7.1 The school understands and encourages employees to undertake activities outside of work and take an active role in their community. However, employees should avoid any activities that have the potential to cause a practical conflict with their employment, reputational harm to the school or undermine the school's trust and confidence in them.
- 7.2 If a conflict, or potential conflict, arises during an employee's employment with the school this must be declared to the Head Teacher. The Head Teacher will then consider whether it would be appropriate for the employee to continue with the activity. Where an employee fails to comply with instructions from the Head Teacher this may be treated as a disciplinary matter (see Disciplinary Policy).
- 7.3 It is the responsibility of employees to declare any interests or conflicts. Failure to do so may be considered a disciplinary matter. Any concerns or queries regarding interests or potential interests should be discussed with an employee's line manager at the earliest opportunity.

8. GIFTS & HOSPITALITY

- 8.1 Employees should not accept or give any significant gifts or offers of hospitality as this could be perceived as an act of bribery to influence decisions or be construed as favouritism, which could compromise the individual or the school. The term "gift" can also include the procurement of services at a lower cost than that charged to the general public.
- 8.2 Employees should notify the Head Teacher if they receive any gifts of substantial value or significance and, where possible, decline the offer politely and firmly. If in doubt employees should discuss the matter with the Head Teacher.
- 8.3 Any provision of hospitality that is seen as necessary to represent the school may be accepted with the approval of the Head Teacher (or in the case of the Head Teacher, Chair of Governors).
- 8.4 Gifts of appreciation such as gifts at Christmas or "Thank You" gifts given at the end of a School term, which have no substantial financial value (e.g. less than £25) can be accepted and do not need to be declared to the Head Teacher.
- 8.5 Under no circumstances should employees accept cash as a gift, even below £25, unless it is cash for donations to the school's charitable funds. Any such donations must be handled in line with the financial procedures.

9. MOBILE PHONES & HAND HELD DEVICES

- 9.1 Personal mobile telephones and hand held devices must not be used:
- during lesson times/when teaching is taking place;
 - when supervising pupils outside of the classroom (e.g. at break times/lunch times);
 - at any time when responsible for the health and safety of pupils, including whilst off School premises (e.g. on a School trip) unless express consent has been given by the Head teacher – please refer to the school's Mobile Devices policy

- **Mobile devices must not be used in any teaching area, toilet and changing areas**

9.2 Employees must not:

- use their personal mobile phone or devices to contact pupils or their parent/carers;
- use their personal mobile phone or devices to take photographs of pupils or retain personal information regarding the pupils at the School;
- give out their personal phone numbers or contact details, including personal email addresses to pupils or their parent/guardians;
- keep inappropriate or illegal content on the device.

9.3 Where there is a need to deviate from any of the above (e.g. in an emergency situation) employees must inform the Head Teacher immediately or as soon as practically possible.

9.4 The above points aim not only to protect pupils but also to protect employees from allegations of misconduct or inappropriate behaviour.

9.5 Employees bringing a personal mobile phone or hand-held device into school do so at their own risk. The school will not be held responsible or accept any liability for personal equipment that is lost or is stolen.

10. NOTIFICATIONS OF CONVICTIONS/CAUTIONS

10.1 Employees **must** disclose **any** cautions or convictions:

- prior to or on appointment;
- at any other time during their employment. Where employees receive any new cautions or convictions during their employment at the school this must be disclosed to the Head Teacher. Consideration will be given to how the caution or conviction impacts on an individual's role within school.

10.2 The above also applies to any driving convictions received by prospective and existing employees.

10.3 This School operates an annual self-declaration process when all employees are required to sign to confirm there have been no changes to their circumstances. Failure to complete the declaration when requested to do so may result in disciplinary action being taken which could lead to dismissal or may lead to some other substantial reason (SOSR) dismissal.

11. PERSONAL APPEARANCE & DRESS CODE

11.1 It is important that all employees ensure that their dress and personal appearance is appropriate at all times. All employees must therefore:

- be responsible for their general presentation and personal appearance;
- be considerate of and promote a positive image of the school;
- ensure that clothing and any jewellery worn is appropriate to the role being undertaken (N.B. It is recognised that some roles will require employees to wear sports clothes, such as those involved in PE. For these individuals, appropriate sportswear and equipment should be worn and jewellery

- must be kept to a minimum to avoid injury);
- ensure that clothing and personal appearance is appropriate and will not cause embarrassment or offence to others. Clothes should be non-offensive and contain no provocative logos or remarks;
- ensure that clothing does not over-expose parts of the body (e.g. stomach or chest) or is transparent. Tight or revealing clothes including mini-skirts, low cut tops or low waistlines are not considered appropriate;
- dresses, skirts and tailored shorts should be of a reasonable length; jeans are not appropriate
- ensure that footwear is suitable for the duties undertaken. Strapless sandals or flip-flops which do not provide necessary protection or are considered a health and safety risk should not be worn, unless there is a medical reason for doing so.

11.2 Health & Safety:

Personal Protective Equipment (PPE) must be worn as directed/instructed/trained or where a risk assessment indicates that it is necessary to control residual risks.

11.3 Religion & Faith:

The school recognises the diversity of cultures and religions of its employees and will take a sensitive approach when this affects dress requirements.

Employees of particular faiths or religions, which are required to wear specific types of clothing will be respected subject to where this may pose a hazard to the health and safety of anyone or where this impacts on teaching and learning.

11.4 Hair:

Hair (including facial hair) should be neat and tidy at all times and hair should always be worn tied back when handling food or where there may be a health and safety risk.

11.5 Tattoos:

Any visible tattoos should not be offensive to others. Where they are deemed to be offensive or are of an adult nature they should be covered appropriately.

11.6 The above list is not exhaustive in defining acceptable and unacceptable standards of dress and appearance and employees should use common sense in adhering to the principles listed above. The school reserves the right to highlight any inappropriate clothing and may require employees to address this matter if necessary.

11.7 There may be times when employees wish to support different charities, for example, Jeans for Genes Day and Christmas Jumper Day. On these occasions employees must seek permission from the Head Teacher prior to participating and must still be mindful of the principles contained within the code.

11.8 Failure to adhere to the school's standard of dress and appearance could constitute misconduct and may result in disciplinary action.

12. PERSONAL RELATIONSHIPS

12.1 It is recognised that there may be occasions where personal relationships exist amongst individuals at work. Where such employees are, or may be, working closely with colleagues with whom they have a personal relationship, they must:

- ensure that any such relationships do not adversely affect their employment or ability to carry out their role;
- protect against bias/unfair advantage or prejudice, particularly where they have supervisory or managerial responsibility over another;
- avoid situations where there is potential for conflict of interest;
- ensure that situations do not develop where other employees feel unable to speak openly and honestly, or feel that a relationship is having an adverse impact on their own employment;

12.2 The reason for this is to protect all parties from any accusations of breaches of confidentiality or the abuse of authority or conflict of interest.

12.3 A **personal** relationship is defined as:

- A family relationship (e.g. Grandparents, siblings, children & grandchildren (including in-laws and step children);
 - A sexual/romantic relationship (e.g. spouses or partners);
 - A business/commercial/financial relationship; or
 - Any other close personal friendship or relationship.
- NB. This is list not exhaustive.

12.4 An employee involved in any part of the recruitment process who has a personal relationship with an applicant should declare this from the outset. They should also not act as a referee for that person where possible. Such employees must not be involved in the following:

- Recruitment processes;
- Decisions relating to pay in respect of that individual;
- Decisions related to or the management of the employee's performance;
- Any conduct issues that arise that may involve the employee.

12.5 Disclosure of a Personal Relationship

Employees must disclose in writing to the Head Teacher any personal relationship which develops or ends during the course of employment. If an employee is in doubt as to whether their relationship should be disclosed they should seek advice from the Head Teacher. In these circumstances, any disclosure will be treated fairly and confidentially.

13. PHOTOGRAPHS & RECORDING

- 13.1 Employees must only take photographs/videos of pupils and their colleagues for school purposes in accordance with the school's procedures as outlined in the School's Authorised Acceptable use policy.
- 13.2 Photographs taken for official school use may be covered by the Data Protection Act 2018 or the Keeping children safe in education (KCSIE) document, and pupils and employees should be advised of the reasons why any photographs or videos are being taken.
- 13.3 Where images of pupils or employees are used for publicity purposes, appropriate consent of the individual concerned, and their parents/carers must be obtained. Images must not be displayed on websites, in publications or in a public place without explicit consent.
- 13.4 Employees taking photos for school purposes must only do so using school equipment. Personal devices are not to be used at any time.

Exceptionally photographs may be taken on personal devices in school with the Head teacher's express consent for the purpose of adding to the school's social media or at external events, activities or trips. In using a personal device, staff must ensure that:

- photos are not uploaded to a personal cloud based storage
 - photos are posted at the earliest opportunity and then deleted from personal devices
 - are not to be forwarded to unsecure email addresses
- 13.5 Employees who are not clear on the use, collection or handling of data, including photography or recordings, must seek advice either from the Head Teacher or the school's Data Protection Officer. Ignorance regarding Data Protection regulations cannot be used as an excuse for failing to comply with the requirements and will be treated as a serious issue.
- 13.6 Where a school has made any amendments to this clause or the Mobile Phone and Hand-Held Devices section of this Code both sections should be checked to ensure consistency between the two.

14. PROTECTION OF SCHOOL PREMISES/PROPERTY & EQUIPMENT

- 14.1 Employees are responsible for the safe keeping and the appropriate use of the school premises, property and any equipment belonging to the school that is under their control or in their possession. This includes, but is not limited to:

- 15.2 Paid or unpaid employment includes, but is not limited to:
- taking up employment with any employer on any type of contractual arrangement;

- 15.4 Employees must not use any school property or facilities to support additional employment without prior permission from the Head Teacher and any customer must be informed that the private nature of the work is not connected with the School.

16. SICKNESS ABSENCE: REPORTING PROCEDURES

- 16.1 It is essential that all employees comply with the procedure for notifying the school of any absence in accordance with the school's arrangements.

All staff must telephone the Head teacher, Head of School or Deputy Head teacher to advise of their absence. Staff must telephone on the first day of their absence and indicate where possible, how long they anticipate

they will be absent for in order that appropriate cover arrangements can be made. If staff are not well enough to make the call, a family member/relative should do so.

Staff at Greenfield Pre-School should text the lead teacher Mrs Gilchrist, and the administrator Mrs Carter, to enable supply cover to be arranged before 7.30am. Following this, staff should telephone the Lead teacher (or in her absence the pre-school administrator) before 9.30am to determine how long the member of staff is likely to be absent for so we can ensure statutory ratios are maintained, if their condition is contagious and has implications for other staff and children etc. etc.

16.2 Once an employee has notified the school of their absence, the employee should maintain regular contact with the school.

16.3 Employees who are absent for:

These healthcare professionals should be treating an employee under NHS services).

16.4 Failure to follow the sickness reporting procedures may result in disciplinary action.

17. SMOKING & SUBSTANCE MISUSE

- Employees must not post content that may breach professional standards or the standard reasonably expected of an employee.

18.5 The school will take disciplinary action against employees for inappropriate use of social media, including use of social media conducted outside of working hours.
